AWARDS OF
EXCELLENCE

This year, Landscape Ontario's Awards of Excellence program celebrated 50 years of recognizing the best landscape projects in Ontario. Over 650 landscape and horticulture professionals packed the ballroom at the Delta Hotels by Marriott Toronto for a sold out evening celebration on Jan. 10, 2023.

Hosted by Carson Arthur, landscape designer and television personality, the ceremony featured over 250 winning projects with outstanding levels of breathtaking design and master craftsmanship in five major categories: landscape construction, maintenance, design, landscape lighting, and interior plantscape. Projects ranged in value from \$10,000 to over \$1 million.
